Match Length

All matches will be best of 3 games to 25 with the deciding game, if necessary, to 15. An exception would be a 3-team pool without crossovers that will play 3 sets to 25, equivalent to three best of 3 matches. There is no cap on any set!

****TEAMS MISSING ANY OFFICIATING ASSIGNMENT WILL BE PENALIZED ONE POINT PER MINUTE LATE, UP TO 25 POINTS, ON THEIR NEXT MATCH.**

Tie Breakers

There will NOT be any tie-breaking games played in this event.

In the case of a tie in matches, the teams will be ranked by head-to-head results first, and then, in the case of 3 or more teams tied in matches and the tie not broken head-to-head: set percentage. If two teams are still tied on set percentage, the tie will be broken by the head-to-head result of their match, OR if three or more teams are still tied the tie will be broken by point percentage. If 2 or more teams are still tied on point percentage the tie will be broken by the original pool seed.

Note that the 3 or more teams tied procedure is slightly different than previous years based on the updated procedures used at the USAV Junior National Qualifiers and National Championship events!

Awards

Individual medals will be awarded for 1st-3rd in the Gold Bracket and 1st place in the Silver and Bronze brackets for each division.
