Match Length

All matches will be best of 3 games to 25 with the deciding game, if necessary, to 15. An exception would be a 3-team pool without crossovers that will play 3 sets to 25, equivalent to three matches. There is no cap on any set!

****TEAMS MISSING ANY OFFICIATING ASSIGNMENT WILL BE PENALIZED ONE POINT PER MINUTE LATE, UP TO 25 POINTS, ON THEIR NEXT MATCH.**

Tie Breakers

There will NOT be any tie-breaking games played in this event.

In the case of a tie in matches, the teams will be ranked by head-to-head results first, and then, in the case of 3 or more teams tied in matches and the tie not broken head-to-head: set percentage. If two teams are still tied on set percentage, the tie will be broken by the head-to-head result of their match, OR if three or more teams are still tied the tie will be broken by point percentage. If 2 or more teams are still tied on point percentage the tie will be broken by the original pool seed.

Note that the 3 or more teams tied procedure is slightly different than previous years based on the updated procedures used at the USAV Junior National Qualifiers and National Championship events!

Roster Rules

All rostered players must be FULL MEMBERS of a Region of USA Volleyball. Athletes turning 18 during the season will be required to take "Core" Center for SafeSport training upon turning 18.

PLAYER'S NUMBER ON OFFICIAL ROSTER:

For all Events, each player is required to wear the same jersey number as listed on the official roster throughout the entire Event, with limited exceptions as required by emergency or blood rule applications.

If a player is found playing in the wrong numbered jersey, the Tournament Director will determine the penalty(ies) to be imposed.

Additional penalties may be assessed on a case-by-case basis. Penalties for an incorrect number are listed below:

- If the error is discovered prior to the team's first match, the roster may be adjusted, and the player may play once the corrected roster is presented to the referees.
- If the error is discovered during the match, the player may not compete for the remainder of the match and the roster may not be adjusted until the conclusion of the match.
- If the player is on the court at the time of the discovery, USAV 7.3.5.3 as listed in the 2023-2025 Indoor Rules Book is applied. If the Team at fault is currently serving, all points scored during that term of service are removed, and the lineup is corrected. If the opponent is serving, the lineup is corrected, and no additional penalty or sanction is assessed.
- If the error is discovered at the completion of the match, the player in question may not play in the following match. The roster may be adjusted prior to the match, but it must be noted on the scoresheet that the player is ineligible for that match

Teams found with wrong jersey numbers should recognize that additional penalties may be imposed. No penalty is assessed on previous rounds or matches where the player may have played in the wrong numbered jersey.

PLAYER MISSING FROM OFFICIAL ROSTER:

For all Events, each player is required to be listed on the official roster throughout the entire event. If a player is found participating and is not on the official roster, the following penalties will be imposed:

- If the missing player is discovered prior to the team's first match of the tournament, the player may be added to the roster and may play in that match. The corrected roster is presented to the referees. NOTE: A roster change fee may be required by the tournament.
- If the missing player is discovered during the match, the following will occur:
 - Player may not compete for the remainder of the match and Rule 7.3.5.4 as listed in the 2023- 2025 Indoor Rules Book is applied: Where a player is found to be on court but he/she is not registered on the team roster, the opponent's points remain valid, and in addition they gain a point and service. The team at fault will lose all points and/or sets (0:25, if necessary) gained from the moment the non-registered player entered the court, and will have to submit a revised line-up sheet and send a new registered player into the court, in the position of the non-registered player.
 - The team may add the player to the roster after the conclusion of the match.

After teams have advanced to the next round of play, no forfeits will be assessed on the previous round where the non-rostered player may have played.
