

Savannah Welcomes the 2026 Savannah Showdown!

We're excited to see you! While you're in Savannah, February 14-16, immerse yourself in art, historic architecture, coastal cuisine and haunted history set under a veil of Spanish moss. Start planning your trip now!

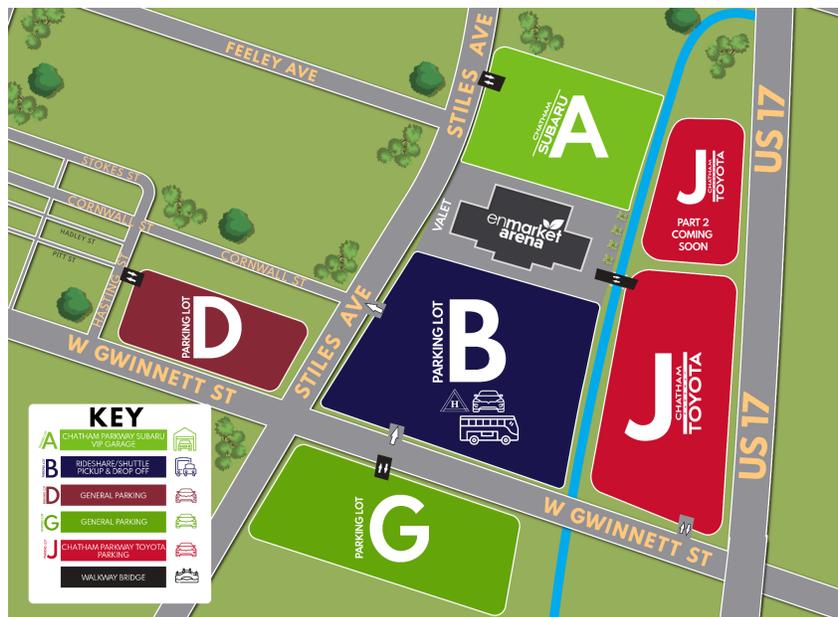

Due to LIMITED PARKING ON THE ISLAND & LIMITED FERRY SERVICE, our friends at Visit Savannah and the Savannah Sports Council have instituted a special event bus/trolley service from EnMarket Arena & off-site locations!! We encourage you to use these services to ensure efficient, hassle-free traffic flow onto the island as we anticipate significant congestion on the Savannah Bridge.

Using the special event services will help ensure a safe and timely arrival at the convention center.

WHAT'S NEW?

- Busses/Trolleys will take attendees to and from the Savannah Convention Center from designated pick-up/drop-off locations at EnMarket Arena and River Street.
- Busses/Trolleys will have a dedicated lane on the Bridge to ensure efficient, hassle-free traffic flow onto the Island from designated off site locations
- Special service routes will be running every 20-25 min
- Park & pay at suggested lots then walk to one of the pick-up/drop off location bus/trolley/ferry pickup points offering transportation to the Savannah Convention Center!
