Match Length

All matches will be best of 3 games to 25 with the deciding game, if necessary, to 15. An exception could be a 3-team pool without crossovers that will play 3 sets to 25, equivalent to three best of 3 matches. There is no cap on any set!

****TEAMS MISSING ANY OFFICIATING ASSIGNMENT WILL BE PENALIZED ONE POINT PER MINUTE LATE, UP TO 25 POINTS, ON THEIR NEXT MATCH.**

Seeding

Seeding for the Open Divisions will be done by USA Volleyball! For all other divisions, seeding is based on teams' tournament finishes at the larger January and February events in the Northeastern US, along with Regional and National Rankings.

We will also solicit recommendations and additional information directly from Club Directors for teams from outside of the Northeast for some divisions, especially in the Open divisions.

Format Details

Flowcharts will be posted on www.Sportwrench.com once the event goes live. All divisions will play all 3 days this year!

Tie Breakers

There will NOT be any tie-breaking games played in this event **EXCEPT** for the Girls and Boys Qualifier/Bid Divisions which will follow the tie-breaking procedures in the USA Volleyball National Championships Manual. For all other non-bid divisions in the case of a tie in matches, the teams will be ranked by head-to-head results first, and then, in the case of 3 or more teams tied in matches and the tie not broken head-to-head: set percentage. If two teams are still tied on set percentage, the tie will be broken by the head-to-head result of their match, OR if three or more teams

are still tied the tie will be broken by point percentage. If 2 or more teams are still tied on point percentage, the tie will be broken by the original pool seed.

Note that the 3 or more teams tied procedure is slightly different from previous years based on the updated procedures used at the USAV Junior National Qualifiers and National Championship events!

Roster Rules

NEW ENGLAND REGION ROSTER RULES FOR CONVENTION CENTER EVENTS:

All rostered players and personnel must be **FULL MEMBERS** of a Region of USA Volleyball. Athletes turning 18 during the season (September 1st - August 31st) will be required to take "Core" Center for SafeSport training prior to participation.

ROSTER CHANGES AT CONVENTION CENTER EVENTS:

The New England Region will allow onsite roster changes at no charge through January 31st. After that date, we will charge penalty fees for onsite roster changes at convention center events. Beginning on the first day of an event, roster changes can **only be made in person at the Help Desk** during the event and will be assessed a **\$20 CASH ONLY fee PER CHANGE**.

Examples of roster changes:

- If you add a coach and need a number changed, that is \$20 each for a total of \$40.
- **NOTE ON NUMBER CHANGES:**
 - Athletes can only have **one jersey number** per event.
 - If you have **a blood jersey issue and can produce the jersey that needs to be replaced onsite** at the Help Desk, that **will not** be penalized.

PLAYER'S NUMBER ON OFFICIAL ROSTER:

For all Events, each player is required to wear the same jersey number as listed on the official roster throughout the entire Event, with limited exceptions as required by emergency or blood rule applications.

If a player is found playing in the wrong numbered jersey, the Tournament Director will determine the penalty(ies) to be imposed.

Additional penalties may be assessed on a case-by-case basis. Penalties for an incorrect number are listed below:

- If the error is discovered **prior to the team's first match**, the roster may be adjusted, and the player may play once the corrected roster is presented to the referees.
- If the error is discovered **during the match**, the player may not compete for the remainder of the match and the roster may not be adjusted until the conclusion of the match.
- If the player is **on the playing court** at the time of the discovery, USAV 7.3.5.3 as listed in the 2023-2025 Indoor Rules Book is applied. If the Team at fault is currently serving, all points scored during that term of service are removed, and the lineup is corrected. If the opponent is serving, the lineup is corrected, and no additional penalty or sanction is assessed.
- If the error is discovered at the **completion** of the match, the player in question may not play in the following match. The roster may be adjusted prior to the match, but it must be noted on the scoresheet that the player is ineligible for that match.

Teams found with wrong jersey numbers should recognize that additional penalties may be imposed. No penalty is assessed on previous rounds or matches where the player may have played in the wrong numbered jersey.

PLAYER MISSING FROM THE OFFICIAL ROSTER:

For all Events, each player is required to be listed on the official roster throughout the entire event. If a player is found participating and is not on the official roster, the following penalties will be imposed:

The team at fault will lose all points and/or sets (0:25, if necessary) gained from the moment the non-registered player entered the court, and will have to submit a revised line-up sheet and send a new registered player into the court, in the position of the non registered player.
